To Whom It May Concern

I am happy to provide a reference for Energy Diagnostics Inc., a RESNET certified HERS rating company that has been in business for 19 year in the field of rating the energy performance of buildings. Energy Diagnostics has a staff of HERS raters, BPI auditors, NAHB Green and LEED raters and energy code professionals.

Among some of their achievements is the national 2007 RESNET Market Transformation Award and the 2010 Energy Star partner of the year award. Energy Diagnostics has rated over 12,000 homes. Energy Diagnostics serves the states of Indiana, Illinois and Michigan. Its services includes verification of EPA Energy Star homes and the federal tax credit for energy efficient homes, conducting ARRA funded home energy audits, and 2009 IECC code training for home builder associations in the three state area.

Energy Diagnostics Inc. is a leader in the energy rating industry and you can feel confident in their ability to provide accurate energy rating calculations and field verification and test results.

Sincerely,

Steve Baden
Executive Director
